A Girl Beyond (War of the Witches) (Volume 2) Marjorie Weismantel

"A Girl Beyond" continues the story of Tess in Part 2 of the "War of the Witches" series. As the conflicts between the Luminars and the Diaboles unfold, Tess learns of her crucial role and begins to realize how her powers can be critical in turning the tide in this epic battle between good and evil. The original single volume of "A Girl Between" is re-released in two separate books: Part 1 under the same title, and Part 2 under the new title "A Girl Beyond". Readers of the original single volume should note that select chapters have been updated and new chapters added to both parts to enhance the story. The "War of the Witches" series will continue with two sequels planned for release later in 2015 and 2016.
