All in All is a dialogue-based curriculum for ESL/EFL students. The dialogues included highlighted vocabulary words, review and discussion questions, sentences patterns, and accompanying grammar worksheets. Book 3 is suitable for intermediate-level English learners. There are various fill-in-the-blank exercises and writing assignments, and the worksheets review the basic English tenses - Present Tense, Present Continuous Tense, Past Tense, and Future Tense - while also introducing students to Comparative and Superlative Adjectives, Past Continuous Tense, and Adverbs. After completing this book, students should have a functional understanding of how to use these grammar aspects correctly.
