Effectiveness of Witness Security Program Cetin Hakan Cem

Over the years, witness security programs have developed sophisticated practices from a safe place as the only effective means of protection for the change of identity of threatened witnesses and their relocation to a new place. The success of those operations has had a positive impact on obtaining vital evidence and made witness security a significant factor in struggles to fight effectively against organized crime and terrorism. This book is a research project about the effectiveness of the Witness Security Program in the fight against terrorism and organized crime.
