I don't know yet Miss Rinalda Sorana Faraian

Andrew Rivers is a confused young man with poor sense of time. He wasn't sure of many things in life, what day it was being more often than not one of the mysteries of his existence. Who his parents were was the second big mystery. What his English Lit teacher wanted of him - the third. And the list went on, more zeroes than ones. More blank pages than beautifully plotted paperbacks. If his story was written by a higher being, this higher being had Alzheimer's.
