## In the Courts of the Crimson Kings (The Lords of Creation Book 2) S.M. Stirling

In the parallel world first introduced in S. M. Stirling's *The Sky People*, aliens terraformed Mars (and Venus) two hundred million years ago, seeding them with life-forms from Earth. Humans didn't suspect this until the twentieth century, but when the first probes landed on our sister worlds, and found life—intelligent life, at that—things changed with a vengeance. By the year 2000, America, Russia, and the other great powers of Earth are all contending for influence and power amid the newly-discovered inhabitants of our sister planets.

Venus is a primitive world. But on Mars, early hominids evolved civilization earlier than their earthly cousins, driven by the needs of a harsh world growing still harsher as the initial terraforming runs down. Without coal, oil, or uranium, their technology was forced into different paths, and the genetic wizardry of the Crimson Dynasty united a world for more than twenty thousand years.

Now, in a new stand-alone adventure set in this world's 2000 AD, Jeremy Wainman is an archaeologist who has achieved a lifelong dream; to travel to Mars and explore the dead cities of the Deep Beyond, searching for the secrets of the Kings Beneath the Mountain and the fallen empire they ruled.

Teyud Zha-Zhalt is the Martian mercenary the Terrans hire as guide and captain of the landship Intrepid Traveller. A secret links her to the deadly intrigues of Dvor il-Adazar, the City That Is A Mountain, where the last aging descendant of the Tollamune Emperors clings to the remnants of his power...and secrets that may trace their origin to the enigmatic Ancients, the Lords of Creation who reshaped the Solar System in the time of the dinosaurs.

When these three meet, the foundations of reality will be shaken—from the lost city of Rema-Dza to the courts of the Crimson Kings.
