Kellie's Diary #3 Thomas Jenner, Angeline Perkins

"The simple style this story is presented in sometimes tricks you into taking it at face value; but it's the reading between the lines that gives you the full sense of horror in the world around the main character." - Amazon reviewer "zombie"

This is the third book in the Kellie's Diary series, which is longer than the second book.

**As of January 1, 2015 - This book now also includes a plain-text version.

Another year-and-a-half has passed. Kellie has found stability with her new home and family, and is coming to terms with the events of her past.

Yet stability, like everything else, doesn't last forever.

Great for fans of zombie fiction and "The Walking Dead"!
