A wicked, no-strings one-night stand turns unexpectedly complicated when three lonely hearts collide...

Camille sacrificed romance for success long ago. Now that the lingerie company she and her best friend built is hugely successful, she has a few regrets. Wanting to let down her hair and explore the possibilities, she agrees to meet a man at a bar for drinks only to wind up needing help when she rebuffs his sexual overtures.

Jake and Daniel are two firefighters hitting the bar for a quick drink after a long shift when they see a classy beauty fending off an overzealous boyfriend. With a flex of biceps, they chase him off then settle in to seduce the lovely woman whose eyes reflect a hunger they understand all too well. What starts as a simple, pleasurable one-night stand, quickly burns up the sheets. While Jake knows he can't let Camille crush their relationship because of age differences, Daniel still thinks he can walk--until he gets a whiff of Camille's best friend Lacey.

Suddenly three isn't enough.

*Reader Advisory: Burning up the sheets is putting it mildly! Inhibitions are out the door with scenes of m/f/m, m/f/m/f, f/f and m/m.*
