The Choice (Lancaster County Secrets, Book 1) Suzanne Woods Fisher

With a vibrant, fresh style Suzanne Woods Fisher brings readers into the world of a young Amish woman torn between following the man she loves--or joining the community of faith that sustains her, even as she questions some of the decisions of her elders. Her choice begins a torrent of change for her and her family, including a marriage of convenience to silent Daniel Miller. Both bring broken hearts into their arrangement--and secrets that have been held too long.

Filled with gentle romance, *The Choice* opens the world of the Amish--their strong communities, their simple life, and their willingness to put each other first. Combined with Fisher's exceptional gift for character development, this novel, the first in a series, is a welcome reminder that it is never too late to find your way back to God.

A 2010 Carol Award finalist.
