This hilarious, highly original series, which so astutely captures the odd preoccupations of middle schoolers, will appeal to the many fans of the Origami Yoda series and such gross-out classics as *How to Eat Fried Worms* and *Freckle Juice*.

Lyle Hertzog and his friends Marilla and Dave are the Qwikipick Adventure Society, three kids who seek out big adventures in their seemingly quiet hometown of Crickenburg. Tour a sewage plant? They've done it. Break into an abandoned research facility to spot a rat with a human face? Check. But their third exploit just might be their most daring yet. Local legend has it that a slave master was buried standing up in the plantation's family tomb. Why? So that he could continue overseeing his slaves—even in death! When the Qwikipickers hear about this, they decide it's high time to administer some 200-year-overdue justice and knock him down. Mission Kick a Corpse is on.
