Augustus Caesar (Lancaster Pamphlets in Ancient History)

David Shotter

Augustus Caesar (Lancaster Pamphlets in Ancient History) David Shotter

History sees Augustus Caesar as the first emperor of Rome, whose system of ordered government provided a firm and stable basis for the expansion and prosperity of the Roman Empire. Hailed as 'restorer of the Republic' and regarded by some as a deity in his own lifetime, Augustus was emulated by many of his successors. David Shotter reviews the evidence in order to place Augustus firmly in the context of his own times. Key topics discussed include:

- the background to Augustus Caesar's spectacular rise to power
- his political and imperial reforms
- the creation of the *Republica* of Augustus
- the legacy Augustus Caesar left to his successors.

Revised throughout, the second edition of this successful book takes the most recent research in the field into account. David Shotter also includes more coverage of the social and cultural aspects of this complex character's reign together with an expanded guide to further reading.
