"ISRAEL MY GLORY" Israel's Mission, and Missions to Israel John Wilkinson

INTRODUCTION

In issuing a Fourth Edition of "Israel My Glory," I desire gratefully to acknowledge the goodness of God in so graciously accepting my humble effort to call the attention of His people to His own revealed purpose concerning His beloved Israel. May great blessing to the Church of Christ, the Jewish people, and great glory to the God of Israel, result from the reading and prayerful study of every copy of "Israel My Glory."

It has been my life-work during the past thirty-eight years to study the Word of God with a special desire to understand His purpose concerning Israel; to get a clear and consistent view of the truth respecting the first and second Advents of the Lord Jesus Christ; and to ascertain the duty of the Christian Church in relation to the spiritual interests of the Jews. My college studies during 1851 to 1854 included Hebrew, Greek, Latin, logic and theology, together with a view to mission work among the Jews. From 1854 to this day much of my time has been occupied in preaching the Gospel to the Jews, showing from the Hebrew Scriptures that Jesus is the Christ. A considerable portion of my time has also been spent in expounding to Christians God's truth about the Jews with a view to awaken Scriptural interest in the conversion of our Jewish brethren.

Though the soil has been hard in both cases, I praise His name for having given blessing, increasing blessing, in both departments for eight-and-thirty years. During the first twenty-five years I labored under the auspices of a society, and traveled over the United Kingdom at the rate of about 10,000 miles a year for twenty-two years, preaching and lecturing amongst all evangelical Christians. During the thirteen years—1876 to 1889—of the Mildmay Mission to the Jews, my personal labors in both departments of service have been abundant, and have been attended by much larger blessing.

During all these years I have been urged again and again, by ministers and others, to write a book on the Jewish question, but I hesitated, as my views for many years had taken no definite form as to the future of the Jews as a nation. Passages relating to the Second Advent and reign of the Messiah I had been taught to spiritualize or allegorize, whilst passages relating to the first Advent and suffering I was compelled by hard historic facts to literalize. I had much to unlearn as well as much to learn.

The Second Advent as a separate subject is not discussed in this book, for the simple reason that the doctrine itself is interwoven with the entire volume.
