The Clean Home: Step by Step Guide to Keep Your Home Clean, Organized and Spotless ADISH Books

Many people consider home cleaning as a tedious task. However, this can also become a rather fun and easy task that you can do alone or with your family. House cleaning involves different cleaning methods and the use of different cleaning solutions. The accomplishment of the tasks will require determination and discipline. House cleaning includes different activities like cleaning out dirty surfaces, dusting, sweeping, scrubbing, and mopping. In addition, this may even involve outdoor chores like removing debris on gutters, washing windows on the outside, and sweeping the doormats. The activities of house cleaning are performed for the purpose of making a home safer, more comfortable, and easier to live in. In addition, this will also make the home more physically appealing. Without proper cleaning, a home can deteriorate physically. An unclean home can grow molds and bacteria which makes unsafe for you and your family. Not all people know where to start cleaning, when to start cleaning and how to start cleaning. When there is doubt, you can never fully accomplish the tasks that you are aiming to complete. Thus, it is important to learn and understand the entire concept. While this is not exactly rocket science, knowing the tips and tricks and the ways on how you can go about efficient house cleaning can make the task easy to accomplish and much more enjoyable to perform. To help you out in accomplishing the task at your home, we have provided the basic information about house cleaning in this book. This book covers the following topics: • Getting started with the task • Analyzing the tasks involved • Making a plan and choosing the best cleaning strategy • Types of office filing systems for your home office • Dealing with different surfaces in your home • Cleaning windows and mirrors effectively • Creative tips in effectively de-cluttering every room in your home • Step by step guide in cleaning the bedroom, kitchen, laundry room, living room, and bathroom. • Cleaning and organizing your closets, fridge, and storage rooms. • Different cleaning techniques to consider when dealing with electronics Knowing the right way to do house cleaning and knowing when you should do the task can definitely change your cleaning habits. Armed with the information provided in this book, you will now be able to keep your home clean and organized. Regardless of whether you set an entire weekend to do house cleaning or you simply allot an hour or two every day, you can still accomplish the task. Our lives are definitely shaped by our daily habits. If you incorporate a desirable habit of effective house cleaning in your life, you will surely find it easier to accomplish the task and observe great improvements in your home. With the strategies and step by step guide provided in this book, you will be guided as to how you can start the task and complete it. Perfecting the habit takes time. With this book, you can practice effective house cleaning strategies and make this your very own habit.
