What if bad guys ruled the world and the good guys were the outlaws?

As President of the Outlaw MC of Mars, Knox needs to keep his head clear and always stay on alert. That's easier said than done. In the middle of this war with the government, another MC wants to start making some big moves. Knox knows they need to watch their backs but he also wants to protect his club brothers.

Knox and Liam grew up looking out for one another. That didn't change when they were sent to prison or when they turned helplessness into a thriving motorcycle club. But Knox is determined to hold Liam at a distance to keep the MC objective safe. When Liam is injured, Knox is faced with a terrible truth. What if Liam dies before Knox can say just how much he loves the sexy VP?

Explosions, hover bikes, corruption, and hot sex. Will life on Mars keep two men from finding happiness together?
