This is a short guide to help you clear your clutter, release unwanted stuff, de junk your life and bring abundance into your life.

Imagine always being able to find what you want, never having to rummage for your keys or your mobile phone again.

Imagine being able to reduce your grocery bill, insurances and general household running costs.

Imagine being able to get rid of things you no longer need and being able to generate cash for your clutter.

This book is a short and simple guide to taming clutter in easy, manageable steps. It describes how to tackle each room and then what to do with the things you no longer need. It also describes how to cope when you live with other people, and especially hoarders. The final chapter shows exactly how de cluttering can put more money in your pocket.

“Someone once said, that only we are responsible for creating our reality. We create our future right here and right now. These are wise words, that should be used in our life. At first this book seems to only be a guide helping us to remove many unnecessary things from our life. I, on the other hand, read it as great advice on how to remove many barriers, that inhibit our development on a mental plane. Prudence ,through her life experience, tells us in easy and uncomplicated way, the method for a better life. Reading the book help me realise how many unnecessary things and emotions, accompany us in everyday life and how they can be a weight to preventing the creation of our ideal world. I'm certain that many advices will surprise you, but simplicity of introducing them to your life, will allow you to save time, that is priceless for us. Additionally think about using these tips to cleanse your emotional realm, and that positions this book as a “must-read” for everyone. ”
