Hold My Hand Cameron Chapman

After finding out her husband is having an affair, Leilah flees to the comfort of her grandmother's house, where she discovers she's pregnant. Hopes of reconciliation evaporate when Leilah's husband accuses her of using the pregnancy to trap him in their failed marriage.

Leilah—jobless, husbandless, and still living with her Gran—reluctantly chooses to have an abortion. When complications arise, it's Hank, Gran's good-looking neighbor, who rushes her to the hospital. It's the start of a friendship Leilah hadn't expected, and isn't sure she's ready for—especially when her feelings for Hank start pushing the limits of "friendship."

Out of the blue, her husband reappears. Even though he's a bastard (in Gran's opinion, anyway), Leilah isn't sure she's ready to just throw everything away. She struggles to reconcile the life she wanted, with the life that's been forced on her.

Or maybe it's the other way around...
