Lilith (Spanish Edition)

Jesús Gabriel Gutiérrez

Lilith (Spanish Edition) Jesús Gabriel Gutiérrez

Según cuenta la leyenda, Lilith representa a la mujer primigenia, la compañera de Adán antes de Eva. La mitología la describe como un ser desposeído de presencia física, hecho que lo hace especialmente poderoso. Representa registros secretos de nuestra personalidad que resultan recónditos para el control consciente. Al no resultar fácil mostrarse, Lilith se cuela en nuestra vida a través de anhelos, sueños, fantasías y acontecimientos aparentemente azarosos o caóticos que interfieren en nuestra vida corriente de mil y una maneras. Se podría decir que Lilith es la voz de la parte no atendida de nuestra niñez o de nuestros anhelos infantiles; una voz que clama sin que se la haya escuchado con el detenimiento adecuado. Lilith expresa registros de nuestro yo infantil no que quedaron bien integrados en el modo de vida convencional que después hemos tratado de construir. Así pues, la acción de Lilith atañe especialmente a emociones cuya expresión no fue bien admitida por el sistema de relaciones familiares y sociales. Lilith es la exorcista que abre la puerta del armario, de nuestro armario emocional, con la intención de exponer a la luz aspectos de nuestra personalidad que con el control habitual no solemos mostrar voluntariamente. Lectura complementaria: Quirón. Viaje alrededor de un sentimiento herido
