Threads of Fate is the tale of Selene, a naïve village girl with the inborn ability to Weave, who struggles to heal her heart and the soul of a nation after witnessing her mother's brutal murder.

Living at the outskirts of a remote village, Selene has grown up with one constant: her mother. One day, a distant king intrudes and shatters Selene's dreams of following in her mother's footsteps as a healer. Before long, being sold into slavery is the least of her concerns as she clashes against a king who has spent two decades consolidating his power and purging all who defy him. Uniting a group of unlikely allies, Selene metes out justice to the king and heals more than her heart.
