Men of Honor Sara York, Cassandre Dayne, Patricia Logan, Edmond Manning, BL Morticia, A.J. Llewellyn, Shannon West, Serena Yates

Fractured Honor-Cassandre Dayne Jackson Freemont was a proud marine ready to retire. On the last night in Afghanistan tragedy struck, pitching Jazz into a fractured mental state. Waking up stateside, he wasn't prepared for the unexpected anguish. Judgment was swift, harsh and rage consumed him. Friends Brody Mullins and Jackson had shared everything including one night of passion, intimacy never mentioned. A respected JAG, he was assigned to represent Jackson, but Brody wasn't prepared for his emotions. As both men came to terms with the accusations, feelings surfaced, pushing them into facing their desires. Cat Vs. Dog 3-A.J. Llewellyn & Serena Yates Gary Cooper & Ronald Coleman made the French Foreign Legion seem romantic in Beau Geste. Porky Pig made it funnier in Ali Baba Bound. When Tommy Ockerse, beta wolf shifter, Tank, thinks his lover James doesn't want him, he flees Denver for the Legion, almost dying. Giving up seemed fine, but when reality of the training program hit hard, the hunk falls into a funk. When he sniffs out a homicidal cat shifter, Tommy knows this whole idea blows monkey chunks. How could he ever look anything but utterly ridiculous in a legionnaire's white hat...the kepis blanc? Wounded Warriors-Patricia Logan War takes a bitter toll. When Scott McCarthy returns from his second tour in Afghanistan, he's a broken man, trying to cope with the PTSD that's threatening to destroy what's left of his psyche. He seeks out help and meets a man with similar issues. Teegan Chase lived his own hell. Scarred and in constant physical pain, Teegan knows that he must learn to deal with a broken heart. A chance meeting with a handsome soldier gives him a glimmer of hope, a promise of a better future. When two wounded warriors come together, the healing really begins. AWOL-Edmond Manning Private Chase Kirkman fled Ft. Leonard Wood five weeks into his Basic Training. He's just another drop out who couldn't handle the disciplined Army life. One man believes the ugly private might possibly be worth more. Specialist Andy Tanner has 24 hours to hunt the AWOL grunt through rural Missouri before Private Kirkman is 72 hours AWOL, a serious crime. Can Tanner use their mutual attraction to his advantage? Where can you run once you go AWOL? Serving Under The Gaydar-BL Morticia During the pre-repeal of DADT, gay army men and women faced challenges while trying to serve. Being caught with their pants down would get them kicked out and shamed. Second Lieutenant, Darios Bright, a med student at the top of his class and worried about staying hidden, shies away from his peers. Except for buddy Darcy McEvers. First Lieutenant Morrie Dunst wants to move up in rank while keeping his sexuality at bay. Because of an opportunity given to him by Colonel Peyton Jacobs, Morrie might be able to let loose while keeping his sights on the ultimate goal. Both men wanted to keep their careers and have fun. With the ugly threat of don't ask, don't tell rearing its ugly head, can they enjoy themselves without getting caught? Rough Riders-Shannon West Although Dakota Greer is a hot newspaper reporter, he still has trouble maintaining a relationship, preferring no strings attached. He finds an Internet site that hooks him up with handsome, dominant Carl for some intimate "chats". Soon Dakota realizes he needs more. When he tells Carl, there's no interest. Heartbroken, Dakota breaks it off and accepts an assignment to Afghanistan. He's assigned to Lt. Col. Morgan's battalion—a hardass commander. Surprised, Dakota recognizes him as Carl and passion ignites. What about the combat zone. A Shot at Forever-Sara York Injured after his best friend, Richard, is gunned down on assignment, Dale searches out Richard's family, hoping to help them come to terms with their loss, but what he finds is healing from Grant, his friend's brother. Grant knows no relationship will fit with his busy schedule as a pilot, but for Dale, he's willing to try.
