## **Wild Meat and the Bully Burgers: A Novel** Lois-Ann Yamanaka

Her name is Lovey Nariyoshi, and her Hawai'i is not the one of leis, pineapple, and *Magnum P.I.* In the blue collar town of Hilo, on the Big Island, Lovey and her eccentric Japanese-American family are at the margins of poverty, in the midst of a tropical paradise. With her endearing, effeminate best friend Jerry, Lovey suffers schoolyard bullies, class warfare, Singer sewing classes, and the surprisingly painful work of picking on a macadamia nut plantation, all while trying to find an identity of her own. At once a bitingly funny satire of *haole* happiness and a moving meditation on what is real, if ugly at times, but true, *Wild Meat and the Bully Burgers* crackles with the language of pidgin--Hawai'i Creole English--distinguishing one of the most vibrant voices in contemporary culture.

Stories from this enduring novel have been adapted into the film *Fishbowl*, by groundbreaking director Kayo Hatta.
