Very similar in tone and organization to Crazy Talk, the authors of Crazy Book unleash their passion, faith, and humor. This time they have their sights on the Bible and biblical terms — and they don't hold back. Here they've elected to focus on major people, events, places, books, and types of literature in the Bible communicating the life-giving truth of the Bible via often knock-em-dead humor.

The volume's savvy and sassy overtones are bound to leave an impression. An accessible book, almost devoid of scholarly jargon, but filled with scholarly insight.
