Garden of Desires: The Evolution of Women's Sexual Fantasies (Black Lace)

Emily Dubberley

Garden of Desires: The Evolution of Women's Sexual Fantasies (Black Lace) Emily Dubberley

Female sexual fantasy began in 1973 with Nancy Friday's multi-million-selling collection of real women's fantasies, *My Secret Garden*. Until that book was published, female sexual fantasy did not exist; not even within the pages of *Cosmopolitan*, their opinion at the time being: 'Women do not have sexual fantasies, period. Men do.'

Friday's book changed all that. Now, exactly forty years on from Friday's masterpiece, leading sex writer Emily Dubberley is curating **a brand new female fantasy classic for the modern era**. It's a post-*Fifty Shades*, post-*Sex and the City* world and in *Garden of Desires*, hundreds of real women share details of their most private thoughts.

This is an exploration of the meaning of desire. Dare to read, dare to dream, and dare to discover the new truths of female sexuality. The stories are red hot and completely original. And they're going to make your heart beat faster – and make headlines nationwide.
