The Little Bit Naughty Book of Lap Dancing for Your Lover Rebecca Drury

This book empowers women with a hot new way to bring excitement into their sex lives. It's not about being an expert lap dancer on the first attempt. It's about creating a moment when mood lighting, fun music, the teasing dance of a sexually confident woman, and the heightened interest of an eager man combine to ignite passion between lovers.

Accomplished lap dancer Rebecca Drury offers quick lessons that teach all the popular moves, including the "slap and tickle," "body slide," and "grinding straddle." Step-by-step photographs make the sequences easy to learn and there's a complete dance routine to get things started right away.

Throughout the book, readers will find helpful hints, tips, and secrets of the trade including the importance of eye contact, ways to undress provocatively and the attention-getting effects of props. The author also shows how to create the perfect at-home stage and the ultimate costume, complete with playful jewelry and gorgeous lingerie.
