The Ugly Ducklings Wilson H GoldForest

Oh...hello dear. I'm so glad you are here and it's so nice to see you...yes, I am glad. Why don't you sit down and make yourself comfortable? Oh, silly me, I haven't even asked you if you'd like something to drink, have I now.... Would you like a cup of tea?...with lemon?...or milk?? Oh, dear me...you've just walked in and I'm babbling like a teen-ager....silly me. I am making you feel awkward, aren't I. Dear me, that's not very nice of me, is it now. I'm Dolly, by the way and I'm really happy to have you here. I get rather lonely sometimes, you see, because I'm here all by myself. Will you be able to stay a while?...oh, good!

Well...where shall I start? Yes....that will do. Now dear, do you know the story of "The Ugly Duckling"?.....of course you do! You must have had it read for your bed time story when you were little, haven't you?....surely! And that is what I am going to tell you about, but if you think my story is a fairly story for little ones....you couldn't have been more mistaken, dear....just like how people assume what other people's life is like from how it appears. You see....if you broad your mind, even this famous children's story is not how it appears....that's right....it's not the story for little ones at all, but the story of struggles, sadness, regrets and happiness of someone who is different.....no, that's not the right word....yes, someone who is "unique" is more appropriate, I think....that is so relevant and current no matter how old you are or what era you live since the story was written such a long time ago but it connects to so many people even in this modern age, don't you agree? Now I am not going into details and spoil my story, dear....but one thing I can tell you now is that this is not the story of ugly ducklings that might or might not have been cast out or bullied because they were unique....I think that is too negative an attitude, you see? This is the story of ugly ducklings that turned all the disadvantages and disappointment and hardships in life to their strength. You must pardon me, dear....if I don't go into details of what kind of setbacks those ugly ducklings went through because, as I have said, I don't fancy my story sound pessimistic and whining. So, if you are comfy....I am ready whenever you are!

From reader reviews:

Paul Blum:

As people who live in the modest era should be update about what going on or info even knowledge to make them keep up with the era and that is always change and make progress. Some of you maybe may update themselves by reading through books. It is a good choice for you personally but the problems coming to anyone is you don't know which you should start with. This The Ugly Ducklings is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Andre Todd:

Your reading 6th sense will not betray you, why because this The Ugly Ducklings publication written by well-known writer who knows well how to make book which might be understand by anyone who all read the book. Written throughout good manner for you, still dripping wet every ideas and composing skill only for eliminate your own hunger then you still doubt The Ugly Ducklings as good book not only by the cover but also from the content. This is one publication that can break don't determine book by its deal with, so do you still needing an additional sixth sense to pick that!? Oh come on your reading sixth sense already told you so why you have to listening to an additional sixth sense.

Eunice Huynh:

Are you kind of hectic person, only have 10 or maybe 15 minute in your day to upgrading your mind ability or thinking skill also analytical thinking? Then you have problem with the book in comparison with can satisfy your short time to read it because this all time you only find publication that need more time to be examine. The Ugly Ducklings can be your answer given it can be read by a person who have those short free time problems.

Judy Newberry:

With this era which is the greater man or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple solution to have that. What you must do is just spending your time almost no but quite enough to possess a look at some books. One of several books in the top listing in your reading list is usually The Ugly Ducklings. This book that is qualified as The Hungry Inclines can get you closer in turning into precious person. By looking upwards and review this publication you can get many advantages.
