## **A History of American Literature** Richard Gray

This major new history of American literature from pre-Columbian times to the present is written in an informed but accessible style by one of the leading authorities in the field. This is a major new one-volume history of American literature from pre-Columbian times to the present. It is extremely broad-ranging, taking in Native American, Anglo American, African American, Asian American and Hispanic American literature. This book: covers oral literature, folktales, spirituals, the blues, the western, the detective story, the thriller and science fiction, as well as canonical literature; relates the history of American literature to American social and cultural history; takes account of changes in critical and theoretical debates about literature in the last 30 years; and, is written by a leading international authority on American literature.
