**But If a Zombie Apocalypse Did Occur: Essays on Medical, Military, Governmental, Ethical, Economic and Other Implications (Contributions to Zombie Studies)** Amy L. Thompson, Foreword by Wade Davis

Part pop culture trope, part hypothetical cataclysm, the zombie apocalypse is rooted in modern literature, film and mythology. This collection of new essays considers the implications of this scientifically impossible (but perhaps imminent) event, examining real-world responses to pandemic contagion and civic chaos, as well as those from Hollywood and popular culture. The contributors discuss the zombie apocalypse as a metaphor for actual catastrophes and estimate the probabilities of human survival and behavior during an undead invasion.
