Here is a hot sample of what's inside:

He decided to think about it like he was in a locker room. That helped him accept the naked men. And there was simply the added benefit of naked women. He felt his enthusiasm grow, and he knew he could do this. In fact, he just might enjoy it.

It took a few minutes for the foursome to get stripped down, and Garrett hesitated to remove his boxer briefs, only because he'd fought producing any physical evidence of arousal as he'd looked around at the women. A lot of other guys obviously hadn't, and that made him feel inadequate. But he couldn't seem to strike a balance between a flagpole salute and a limp noodle.

Then he caught sight of Willa and Shayne standing next to each other, sans clothes. The contrast was remarkable, and yet, they were both enticingly gorgeous. Willa was darker with olive skin and brunette hair, and her curves were luscious. Shayne, on the other hand was athletic with a tight, small hourglass figure topped with blond hair and porcelain skin. They were a great compliment for each other, and the look on Tyler's face told Garrett he saw it, too.
