Fundamentos de psicología jurídica e investigación criminal (Spanish Edition) Anastasio Ovejero Bernal

En este libro mostraremos numerosos casos en que, en contra de lo que muchos profesionales del Derecho creen, la Psicología y la Psicología Social están encontrando y construyendo en sus investigaciones una serie de fenómenos que no sólo van más allá del sentido común, sino que incluso le contradicen abierta y frontalmente. Al lector le sorprenderán muchos de estos hallazgos psicológicos y psicosociales. Pero es que además de sorprenderlos, puede serles de gran ayuda en su práctica profesional, tanto en la testificación, como en las ruedas de reconocimiento o en sus investigaciones sobre casos criminales como pueden ser violaciones o asesinatos.
