A DOMINANT WOMAN RULES DECISIVELY OVER TWO MEN

That's what's going on in part four. Julia continues to strip away any remaining inhibitions and fully extends control over the two men desperate for her affections. There is a hierarchy, but both boys have to do what they're told.

This story contains sustained scenes of a sexual nature, which centre around the genre of FEMDOM, including such practices as facesitting, ass worship, domestic discipline. Please do not buy or read if this may offend you.

Jennifer John writes - "Sometimes my books are wild fantasy but usually they are based around Femdom in real life - real people in real situations. I develop my characters because that makes the hot scenes hotter. There is some very dominant female behaviour in this part, and a bit of thoughtful stuff as well all the hot action and lots of erotic talk."

FEMALE VIEWPOINT - BUT HOT FOR READERS OF BOTH SEXES

Will contain variant British spelling and the occasional idiom but also 'Americanisms' too.
