Alisa MacGregor longs for a life of significance, but she's betrothed to an English earl, and for her, the future seems bleak. Traveling through a Scottish forest on their way to his home, they are attacked by her father's enemy, Clan Campbell. Alisa manages to escape, and she is saved from certain death by a handsome highland huntsman.

The huntsman, **Logan Allaway**, tells her it's not safe to go home. They're waylaid by a pack of wolves, and Logan shifts into a massive black bear to protect her. Injured, Logan urges her to take him to his village. Sensing she knows what Logan and his clan can do, an old warrior there named Drew reveals to her the mysteries of his people. He urges her to learn to fight and protect her family. Logan Allaway means more to her than even she knows, and if she can keep safe the people who matter most, she'll find love and victory amongst the bear shifters.

Get ready for fantasy, mystery, and seduction in the highlands! Oh... and be forewarned, this book is intended for mature (18+) audiences.
