WAS THE CIVIL WAR A HOLY WAR? For 150 years, multiple and widely varied explanations for the meaning of this great American conflict have been published. The confusion over the war's meaning is largely due to the loss of one historical factor-that America was and is a promised land placed under covenant by the Almighty. Best-Selling author Timothy Ballard argues that this lost knowledge is the key to not only unlocking the mysteries of the Civil War, but to restoring and healing America today. The foreword is by Academy Award Winning Producer of the hit motion picture Schindler's List. The music and lyrics of Alex Boye's newly released song, Lincoln, are based on this must-read book. Timothy Ballard is the Best-Selling author of *The Covenant: One Nation Under God* (Advanced to #3 on Amazon Best-Seller list in category of "All Books"). He received his BA in Spanish and Politics Cum Laude from Brigham Young University and graduated Summa Cum Laude with a MA in International Politics from Middlebury College-Monterrey Institute of International Studies. Tim has worked for the Central Intelligence Agency and as a U.S. Special Agent, where he has spent significant time overseas battling criminal organizations involved in the kidnapping and trafficking of children. He has also worked as an adjunct professor of American and International Politics at Imperial Valley College and at San Diego State University. Tim is very active in his church and volunteers with the Boy Scouts of America. He lives in Southern California with his wife and six children.
