### The Truth About Soy Revealed

Have you ever wondered about soy? It's promoted as the miracle food that will feed the world while at the same time prevent and cure all manner of diseases.

But what if all you've read about soy is nothing but a multi-million dollar marketing strategy based on scanty facts, half-truths and lies?

Author, Dianne Gregg is throwing cold water onto the conventional thinking about soy--and serves as a wake-up call for anyone who's concerned about their health.

Do you believe that soy offers protection or a cure against cancer, heart disease, osteoporosis, menopause, and other illnesses? Want to know whether soy formula is good for your infant and what the possible affects soy foods can have on your entire family? Are you one of the millions of people suffering from unusual weight gain and never thought that soy might be the cause? If so, you are not alone. I reveal the dangers of soy and what you need to know. I want to share my story with you and possibly save you and your family's life. Learn:\* What ingredients to look for on the labels.\* What alternative ingredients to use including soy-free recipes.\* Why the soybean industry wants you to believe it's the "miracle" food.\*

Do you believe that soy offers protection or a cure against cancer, heart disease, osteoporosis, menopause, and other illnesses?
