The Power of Place (RLE Social & Cultural Geography): Bringing Together Geographical and Sociological Imaginations (Routledge Library Editions: Social and Cultural Geography)

Reflecting the revival of interest in a social theory that takes place and space seriously, this book focuses on geographical place in the practice of social science and history. There is significant interest among scholars from a range of disciplines in bringing together the geographical and sociological 'imagination'. The geographical imagination is a concrete and descriptive one, concerned with determining the nature of places, and classifying them and the links between them. The sociological imagination aspires to explanation of human activities in terms of abstract social processes. The chapters in this book focus on both the intellectual histories of the concept of place and on its empirical uses. They show that place is as important for understanding contemporary America as it is for 18th-century Sri Lanka. They also show how the concept can provide insight into 'old' problems such as the nature of social life in Renaissance Florence and Venice. The editors are leading exponents of the view of place as a concept that can 'mediate' the geographical and sociological imaginations.

You can m0ore easily to read this book from your smart phone. The price is not to cover but this book has high quality.

Anna Baron:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to

presently there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Power of Place (RLE Social & Cultural Geography): Bringing Together Geographical and Sociological Imaginations (Routledge Library Editions: Social and Cultural Geography) can make you experience more interested to read.
