The Power of Positive Prophecy Laurie Beth Jones

Through her seminars and best-selling books, Laurie Beth Jones has helped countless numbers of people around the world incorporate spirituality into their work and into their daily lives. With *Jesus. CEO.*, she applied ancient wisdom for visionary leadership, and in *The Path* she outlined a blueprint for a meaningful mission statement. Now, with *The Power of Positive Prophecy*, Jones takes on a fascinating new topic, once again making the spiritual accessible for everyone.

In the past, the phenomenon of prophecy has been limited to mean the mystical predictions of Nostradamus or the ominous verses in Revelations, but Laurie Beth Jones reveals that positive, uplifting prophecies occur every day in real life, and that each one of us is capable of receiving and offering them. Laurie tells us that prophecy can come from anywhere—family members, friends, teachers, pastors, co-workers, even angels—and can happen to anyone. While prophecy can be a prediction from a stranger, Jones believes that the shaping of the future frequently takes on more familiar forms. It can be the simple words of affirmation from a parent or teacher that serve as the sole glimmer of hope during later, more difficult years. It can also be the repetition of support a friend offers that eventually finds fulfillment, Even when couched in negative terms, prophecy can have a provocative and healing effect, spurring us on to accomplish things out of determination to prove others wrong. While most prophecy emanates from those directly around us, Laurie illustrates how, if we're sensitive enough, it can also be found in dreams, names, and everyday incidents. Being a prophet means realizing that by simply naming something, we can call it forth. Anyone can access this power. Laurie encourages us to use prophecy responsibly and to understand the real impact words can have. To help fine-tune this very real ability, the book offers meditations, exercises, and ten tips to help focus our own lens into the future.

The Power of Positive Prophecy is Laurie Beth Jones's gift to help people recognize that prophecy belongs to everyone and realize the good it can accomplish for others and society as a whole.
