A seasoned nautical enthusiast who has just been certified as a professional boat captain, strong-willed BBW Kelsey Murphy is thrilled to purchase her first boat; a stately schooner that—in her mind at least—bears a fun resemblance to a pirate ship.

This perception proves all too true her first day on high seas, as she finds herself transported to the time of princes and pirates. And she meets a man who seems just a little bit of both....

A 16th century lord of British nobility cast from his family because of his roguish ways, the handsome Lord Alastair Greyforth instead becomes a prince of the seas; a pirate who sails the vast azure waters of the mighty Caribbean, scoring a bounty of gold while wooing various maidens in the process. Yet the captivating female sea captain who seems to have overtaken his ship is hardly what one would call a blushing maiden.

Can the brave and daring pirate pull out all of the stops to score the ultimate bounty: Kelsey's heart?

*****Bonus story included at end of book!"Viking Bonding"*****

Warning! This ebook contains explicit details of passion and desire. For adult eyes only!!!
