Bloodsuckers

Michael A. Ventrella

Bloodsuckers Michael A. Ventrella

Norman Mark was a politician with skeletons in his closet. Literally. "Bloodsuckers takes modern politics and adds vampires to the mix (yes, we already know all the jokes you're making!) to make it actually new and exciting. Washed-up reporter Steve Edwards can't believe what he sees when a Presidential candidate is gunned down by a man who then disappears before his eyes, apparently transformed to a bat. But that's just the beginning as Steve finds he's been framed for the crime and what he's seen is just the very tip of a blood-drinking iceberg. Ventrella's quick, bright dialogue punctuates the adventure with dry humor even as he ratchets the tension up towards an ending that might just surprise even the jaded reader. Highly recommended!" - Ryk E. Spoor, author of Grand Central Arena and Phoenix Rising

From reader reviews:

Kerry Diaz:

Nowadays reading books become more than want or need but also work as a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want drive more knowledge just go with schooling books but if you want experience happy read one having theme for entertaining like comic or novel. The actual Bloodsuckers is kind of e-book which is giving the reader unpredictable experience.

Rodney Richardson:

People live in this new moment of lifestyle always try to and must have the time or they will get great deal of stress from both way of life and work. So , once we ask do people have free time, we will say absolutely without a doubt. People is human not only a robot. Then we ask again, what kind of activity do you possess when the spare time coming to a person of course your answer can unlimited right. Then do you try this one, reading publications. It can be your alternative with spending your spare time, the actual book you have read is actually Bloodsuckers.

Daniel Ellis:

Reading a book to get new life style in this calendar year; every people loves to learn a book. When you learn a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these us novel, comics, as well as soon. The Bloodsuckers provide you with a new experience in reading a book.

Ira Atwood:

Beside this Bloodsuckers in your phone, it can give you a way to get nearer to the new knowledge or details. The information and the knowledge you may got here is fresh through the oven so don't possibly be worry if you feel like an previous people live in narrow small town. It is good thing to have Bloodsuckers because this book offers to your account readable information. Do you oftentimes have book but you seldom get what it's exactly about. Oh come on, that will not happen if you have this within your hand. The Enjoyable option here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss it? Find this book and read it from currently!
