John L. Paterson

David Harvey's Geography (RLE Social & Cultural Geography) (Routledge Library Editions: Social and Cultural Geography) John L. Paterson

The emphasis of this book is to explore two major philosophical influences in contemporary human geography, namely logical positivism and Marxism, and to explore the relationships between philosophy, methodology and geographical research. Rather than being a biography of David Harvey, the book contributes to the understanding of one of the most innovative and iconoclastic scholars in contemporary Anglo-American human geography.
