Lady Inger of Östrat: The Vikings at Helgeland; The Pretenders (Classic Reprint)

Henrik Ibsen

Lady Inger of Östrat: The Vikings at Helgeland; The Pretenders (Classic Reprint) Henrik Ibsen
Ibsen wrote in prose before he began the series of his social dramas with *The League of Youth*. Two plays in mingled prose and verse, *The Feast at Solhaug* and *Olaf Liliekrans*, intervene between *Lady Inger* and *The Vikings at Helgeland*; one play in verse, *Love's Comedy*, intervenes between *The Vikings* and *The Pretenders*. Of these, *Love's Comedy* at least is certain one day to find a translator; but, being entirely composed in rhymed decasyllabics, it does not come within the scope of this series. As *Lady Inger* and *The Pretenders* are founded on Norwegian history, *The Vikings* on Scandinavian legend, it may be well to say something as to Ibsen's treatment of his material. For most of the facts of the case I am indebted to Herr Jaeger's painstaking and valuable work, *Henrik Ibsen: et litterært Livsbillede*. In *Lady Inger* Ibsen has chosen a theme from the very darkest hour of Norwegian history. King Sverre's democratic monarchy, dating from the beginning of the thirteenth century, had paralysed the old Norwegian nobility. One by one the great families died out, their possessions being concentrated in the hands of the few survivors, who regarded their wealth as a privilege unhampered by obligations.
