*I had never before considered being with a man who was my dad's age - who practically was my dad - but I couldn't help myself.*

I had planned this conquest for the last year. Greg Watkins was my best friend's dad, and he was the one who was going to have my virginity. For years he had been like my own dad, right up until the divorce that tore their family apart and took my best friend Tory away. But when I think of him now it isn't as my daddy. For the last year I had fantasized about him, and every night I left his house wet between my legs. Now we're going to Vegas together to see Tory, and this is my chance to seduce him at last. As long as I don't chicken out.
