The gang's all here, as are the stories, all 14 of them. Yep, that's right. All 12 individual tales and the two novels combined into one book. The book is big enough that your friends will notice it and ask you what's in it. You can proudly tell them that you have the complete Mad Scientists' Club works in your hands and can find anything they might want to know about the gang.

Even better, you can carry this around wherever you go and have every story right at your fingertips. And, like all paperbacks, after a while it will become dog-eared from constant use as you read and re-read the exploits of the seven junior geniuses of Mammoth Falls.

Written between 1961 and 1986, here is the Complete Collection of Bertrand R. Brinley's Mad Scientists' Club stories from The Mad Scientists' Club, The New Adventures of the Mad Scientists' Club, The Big Kerplow! and The Big Chunk of Ice. All complete with illustrations by Charles Geer.
