## Sometimes Your Eyes Will Give Your Deepest Secrets Away

When Mandy woke up late for work, she realized she had to find a ride in a hurry. With no other alternatives, she headed out on the highway with her thumb out. She hit the jackpot in more ways than one when her supervisor pulled over to pick her up.

She's always had a secret crush on him and now she had a chance to act on it. Will he reject her advances or urge her on? Maybe he's been keeping a few secrets of his own. Only a police officer and his secretary know for sure.

*This naughty tale will leave you out of breath and panting for more. Have a glass of ice water ready to quench your thirst and cool yourself off.*
