A Treasure Deep (Perry Sachs Book 1) Alton Gansky

The Wealth is Unbelievable. The Impact on History Immeasurable. The Danger Unimaginable. And Perry Sachs is just the man for the job.

It had started as an effort to save one man's life. It became a project more important than anything Perry Sachs had ever done. More significant than anything he could ever do in the future . . .

In a few hours, he would return to the spot that very well might change the course of history. It would be dark by then, but that didn't matter. This was an around-the-clock operation.

A secret for now.

Soon it would be world news.

No, this was no mere project--it was a mission from God.

What is buried in the hills of California?
