Trista Russell turns up the heat with a provocative story about money, good friends, love, and sex in this seductive sequel to her sizzling debut novel, "Going Broke." Thanks to a gunshot wound from her cheating ex-boyfriend, Sarai Emery wakes up after a month in a coma, and all she wants to do is crawl into bed with Damian, who she thinks is still her man. But her memory is ten months behind, and her life went from fabulous to scandalous in the time she forgot. She has no clue that "high class" prostitution was her way of making ends meet. Her new but forgotten lover Mel vows to stay by her side, patiently waiting to remind her of the long, steamy nights she spent in his arms. Just as lust and love start to blossom once more, shocking secrets from Sarai's past emerge. She has no idea how much trouble she has gotten herself into, but one thing is certain: She will never forget her enemies again.
