This offer is for the current print set of both issues of the I Feel Sick series! I Feel Sick is a "doubleshot", full-color comic book written and drawn by the comic artist Jhonen Vasquez and colored by Rosearik Rikki Simons (who would later go on to do the voice of GIR in Invader Zim). It revolves around Devi D. from Johnny the Homicidal Maniac (JTHM), and her dealings with the same supernatural and/or psychological forces that drove Johnny to lunacy. Originally intended as a single paperback, it was later split into two issues so as to avoid compromising the length of the story. It was published by Slave Labor Graphics. Jhonen Vasquez has stated that the creation process of I Feel Sick was cathartic. The problems Devi had while working for NERVE and neglecting her own work was reminiscent to the pressure Vasquez had while working on Invader Zim
