Japanese Made Easy: Revised and Updated

Tazuko Ajiro Monane

Japanese Made Easy: Revised and Updated Tazuko Ajiro Monane
This is a self-study guide to the Japanese language

Harvard University's **Tazuko Monane** teaches you the secret of speaking Japanese fluently in simple 20-minute lessons. Each lesson zeroes in on one everyday activity: introducing yourself, asking directions, ordering sushi, giving directions to a taxi driver, eating with friends, and other everyday conversations. *Japanese Made Easy* is designed for people living in or going to Japan who would like to learn Japanese but have never studied it before. Obviously, living or traveling in Japan is itself not the secret to learning Japanese—many Westerners live in Japan for a long time and except for a few words learn very little about its language. The important thing will be your motivation to learn. An ability to speak Japanese and read Japanese is vital to understanding your surroundings. Whether you travel to Japan as a tourist, student or businessperson, whether you use this book before or after your arrival in Japan, what could provide better motivation than knowing that a familiarity with the Japanese language (and with the culture it reflects) will help make your stay in Japan much richer and more interesting.

If you have the good fortune to know a Japanese person, he or she will surely make your learning even easier—especially when you study pronunciation. But don't be discouraged if you have no "live model" to learn from. By following the simple suggestions given here, you will be able to come out with good understandable Japanese on your own. Key features of this book include:

- More than 40 social situations commonly encountered by foreigners in Japan—including greetings, asking directions, dining out, visiting places, and shopping.
- Practice exercises based on over 30 of the most important Japanese sentence patterns, with example sentences and answer keys.
- Notes on the key points of Japanese vocabulary and Japanese grammar.
- A comprehensive glossary of important Japanese words and an index of vocabulary and grammar items.

From reader reviews:

Michael Riddle:

Book is usually written, printed, or created for everything. You can learn everything you want by a reserve. Book has a different type. We all know that that book is important point to bring us around the world. Close to that you can your reading skill was fluently. A guide Japanese Made Easy: Revised and Updated will make you to possibly be smarter. You can feel far more confidence if you can know about every thing. But some of you think which open or reading some sort of book make you bored. It is not make you fun. Why they are often thought like that? Have you trying to find best book or suitable book with you?

Jeffrey Roybal:

As people who live in the actual modest era should be up-date about what going on or facts even knowledge to make them keep up with the era and that is always change and move ahead. Some of you maybe may update themselves by looking at books. It is a good choice for you but the problems coming to an individual is you don't know which you should start with. This Japanese Made Easy: Revised and Updated is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Bobbie Burke:

Reading a e-book can be one of a lot of activity that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people love it. First reading a book will give you a lot of new information. When you read a e-book you will get new information due to the fact book is one of a number of ways to share the information or maybe their idea. Second, looking at a book will make anyone more imaginative. When you reading through a book especially tale fantasy book the author will bring one to imagine the story how the people do it anything. Third, you may share your knowledge to others. When you read this Japanese Made Easy: Revised and Updated, you can tells your family, friends along with soon about yours reserve. Your knowledge can inspire others, make them reading a reserve.

John Damm:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Japanese Made Easy: Revised and Updated can make you sense more interested to read.
