KIYA: Hope of the Pharaoh (Kiya Trilogy Book 1) Katie Hamstead

Praise for KIYA:

"I absolutely recommend this story. If you want a good read with the mix of history, love, Egypt and a smart heroine, this story is for you." ~Goodreads Review by AnaPIN

When Naomi's sisters are snatched up to be taken to be wives of the erratic Pharaoh, Akhenaten, she knows they won't survive the palace, so she offers herself in their place. The fearsome Commander Horemheb sees her courage, and knows she is exactly what he is looking for...

The Great Queen Nefertiti despises Naomi instantly, and strips her of her Hebrew lineage, including her name, which is changed to Kiya. Kiya allies herself with Horemheb, who pushes her to greatness and encourages her to make the Pharaoh fall in love with her. When Akhenaten declares Kiya will be the mother of his heir, Nefertiti, furious with jealousy, schemes to destroy Kiya.

Kiya must play the deadly game carefully. She is in a silent battle of wills, and a struggle for who will one day inherit the crown. If she does bear an heir, she knows she will need to fight to protect him, as well as herself, from Nefertiti who is out for blood.
