Mastering Project Human Resource Management: Effectively Organize and Communicate with All Project Stakeholders (FT Press Operations Management) Harjit Singh

Learn powerful communications and stakeholder management techniques that dramatically improve your ability to deliver projects successfully! Unlike other project guides, which address these issues only in passing, *Mastering Project Human Resource Management* offers practical, real-world guidance, in-the-trenches insights, and proven applications. You'll learn how to:

- Identify stakeholders and initiate communications
- Plan for effective HR, communications, and stakeholder management
- Build, develop, and manage project teams capable of powerfully effective communication and stakeholder engagement
- Monitor, control, and optimize the effectiveness of your communication and engagement

This book is part of a new series of six cutting-edge project management guides for both working practitioners and students. Like all books in this series, it offers deep practical insight into the successful design, management, and control of complex modern projects. Using real case studies and proven applications, expert authors show how multiple functions and disciplines can and must be integrated to achieve a successful outcome. Individually, these books focus on realistic, actionable solutions, not theory. Together, they provide comprehensive guidance for working project managers at all levels, as well as indispensable knowledge for anyone pursuing PMI/PMBOK certification or other accreditation in the field.
