The Wedding Nicholas Sparks

With *The Notebook*, *A Walk to Remember*, and his other beloved novels, #1 New York Times bestselling author Nicholas Sparks has given voice to our deepest beliefs about the power of love. Now he brings us the long-awaited follow-up to *The Notebook*—a story of an ordinary man who goes to extraordinary lengths to win back the love of his life... After thirty years, Wilson Lewis is forced to face a painful truth: the romance has gone out of his marriage. His wife, Jane, has fallen out of love with him, and it is entirely his fault. Despite the shining example of his in-laws, Noah and Allie Calhoun, and their fifty-year love affair (originally recounted in *The Notebook*), Wilson himself is a man unable to express his true feelings. He has spent too little time at home and too much at the office, leaving the responsibility of raising their children to Jane. Now his daughter is about to marry, and his wife is thinking about leaving him. But if Wilson is sure of anything, it is this: His love for Jane has only grown over the years, and he will do everything he can to save their marriage. With the memories of Noah and Allie's inspiring life together as his guide, he vows to find a way to make his wife fall in love with him...all over again. In this powerfully moving tale of love lost, rediscovered, and renewed, Nicholas Sparks once again brings readers his unique insight into the only emotion that ultimately really matters.

From reader reviews:

Tatum Martin:

Nowadays reading books become more and more than want or need but also get a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The details you get based on what kind of reserve you read, if you want send more knowledge just go with education and learning books but if you want truly feel happy read one using theme for entertaining for example comic or novel. The The Wedding is kind of guide which is giving the reader unstable experience.

Danielle Tilley:

Reading a reserve tends to be new life style within this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Using book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or their experience. Not only situation that share in the textbooks. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some analysis before they write to their book. One of them is this The Wedding.

Pierre Winter:

Reading can called imagination hangout, why? Because if you are reading a book particularly book entitled The Wedding the mind will drift away trough every dimension, wandering in every single aspect that maybe mysterious for but surely will end up your mind friends. Imaging every word written in a reserve then become one web form conclusion and explanation which maybe you never get before. The The Wedding giving you another experience more than blown away the mind but also giving you useful data for your better life with this era. So now let us show you the relaxing pattern is your body and mind are going to be pleased when you are finished reading through it, like winning an activity. Do you want to try this extraordinary wasting spare time activity?

Nancy Brown:

Your reading sixth sense will not betray an individual, why because this The Wedding book written by well-known writer who knows well how to make book that can be understand by anyone who also read the book. Written throughout good manner for you, dripping every ideas and writing skill only for eliminate your personal hunger then you still uncertainty The Wedding as good book but not only by the cover but also with the content. This is one guide that can break don't ascertain book by its include, so do you still needing a different sixth sense to pick this kind of!? Oh come on your examining sixth sense already told you so why you have to listening to one more sixth sense.
