The Interactive Resource Center is an online learning environment where instructors and students can access the tools they need to make efficient use of their time, while reinforcing and assessing their understanding of key concepts for successful understanding of the course. The online *Interactive Resource Center* contains resources tied to the book, such as:

- Interactive Animations highlighting key concepts
- Photo Gallery of architectural precedents illustrated in the book
- Flashcards for focused learning

For more than forty years, the beautifully illustrated *Architecture: Form, Space, and Order* has served as the classic introduction to the basic vocabulary of architectural design. The updated and revised Fourth Edition features the fundamental elements of space and form and is designed to encourage critical thought in order to promote a more evocative understanding of architecture.
