Doan, the 'hero' of this story is a small-time detective with a dry, sardonic wit, and a huge Great Dane (Carstairs--don't call him a "pet") in these absolutely delightful series of humor-tinged mysteries. Great fun that shouldn't be missed!

In this short adventure, the duo investigate another strange murder. The story is more humor than mystery as they get into trouble with thugs and create general chaos all around them. A fine, funny way to while away a quiet weekend.

This is the original and unabridged version of this classic. A must-have for fans of classic mysteries!
