Naturally Flea-Free Cheap Betsy Been RN

This simple, scientifically accurate, clearly written guide will help you keep your home and pet flea-free without the use of chemicals and drugs dangerous to your family and environment. Written by a nurse with years of experience helping other pet owners, the book offers complete how-to coverage on wiping out a home infestation, maintenance methods of flea control, and healthy approaches to caring for your pet without collars and chemical intervention. The most-advised, least-understood methods are all completely covered in one place, including Borax, essential oils, Brewer's yeast, garlic, and vinegar. Instead of opinions and vague advice, you'll find thorough research backing up reliable information written for "real people". Nurse Been skips over the complicated Latin and Greek in favor of step-by-step instructions, but offers further resources in a detailed bibliography after the text.
